Development Around Town

Parklet Coming to Brea Downtown

Plans are under way for an additional Parklet on Birch Street in Brea Downtown. There is an existing Parklet on Madrona Ave. that has a

different design. The Brea Downtown Owners Association proposed this new Parklet to be located in front of Starbucks. The addition will remove two parking stalls beginning in January when construction is scheduled to begin and add new seating and gathering areas in the Downtown.

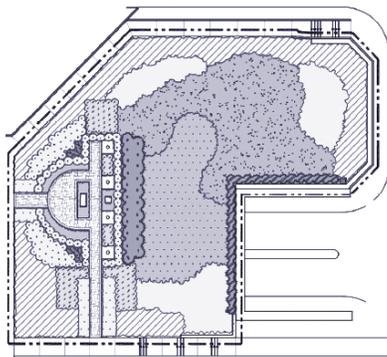

Central Park Village Nearing Completion

Construction began in 2009 for this mixed-use development. Located at the former Brea Community Hospital site, just south of Central Ave. and Site Dr., the project was phased into five parts. Phase I was

2 construction of 81 townhomes (The Element) and phase II was a 39,000 square foot medical building. Both are completed and occupied. A 206-unit apartment building (Calligraphy) and parking structure were part of phase III. Both are nearly complete. The parking structure includes 568 parking stalls to serve both the apartments and medical building. Phase IV is Central Park, a privately-owned public park with a splash pad, playground equipment, and art throughout the park, is scheduled to open early in 2019. And the last phase, currently in review, consists of 82 units with a mix of townhomes and flats (Trumark). It is proposed that 20 of the 82 units will be moderate level for sale units.

Landscape Improvements at the Civic & Cultural Center

The east and south sides of the Civic & Cultural Center are undergoing landscape improvements. The project consists of removing 30,000 square feet of turf, upgrading the irrigation systems, adding new pavers to access an employee memorial and flags, and repairing roof

leaks to the parking structure. The turf is being replaced with low water use plants and trees for an annual estimated savings of just under 693,000 gallons of water. Completion of the landscaping and roof repair are expected in January, with the memorial installation around March.

ADA Transition Plan Underway

Your input is needed to update Brea's ADA Transition Plan. The Americans with Disabilities Act (ADA) protects individuals from discrimination on the basis of disability. Part of the Act also requires local governments to make their facilities, programs and services accessible to persons with disabilities. To ensure that, public entities are required to complete a self-evaluation, along with receiving input from the public, to determine whether they are in compliance with ADA standards and regulations. Once completed, the City's Transition Plan will include steps needed to reach ADA compliance over the next 25 years.

Brea Fire Adds All-Terrain Versatility to Fleet

The Brea Fire Department has added an off-highway, all-terrain vehicle (ATV) to its emergency response fleet. The new Brea Fire Department ATV3 is a modified, military grade vehicle, housed at Brea Fire Station No. 3.

The ATV and its three-person crew is ready to respond to various emergencies such as: off-road medical emergencies, heavy rescue operations, patient packaging and transport to ground ambulance or helicopter, and large incident logistics. In addition, the ATV3 will be used in fire planning and reconnaissance and fire fuel mitigation.

The Brea Fire Department is responsible for over 2,000 acres of wildland/urban interface between the areas of Tonner, Carbon, and Brea Canyons. These canyons are heavily used for industry and recreation, creating significant demands for life and property protection.

Regardless of location, terrain, or other obstacles, the Brea Fire Department is poised to respond quickly to mitigate any emergency. The ATV was purchased in part with donations from three Brea business partners: Bridge Energy, Flex Fit and Walmart. Our sincere gratitude for their generous contributions to our public safety efforts.

Dual Language Immersion Program Begins at Arovista Elementary in 2019-20

Spurred by strong parental interest, administrators in the Brea Olinda Unified School District (BOUSD) are moving forward with steps to offer a Dual Language

Immersion program at Arovista Elementary School beginning in the 2019-20 school year. The program will start with the kindergarteners and a new grade level will be added each subsequent year as the program matures.

The Dual Language Immersion program will develop foreign language proficiency by using a blended model of English and Spanish. It will bring together native speakers of both Spanish and English. Instruction will be carefully designed and conducted in both languages. As a result, students will develop biliteracy and bilingualism that will benefit them throughout their lives.

The program provides the same academic content and standards as traditional educational programs, while providing instruction in two languages.

All students in the program will receive instruction grounded in the California Content Standards and supported by state adopted textbooks and materials. Students in the program will learn to read, write, and communicate effectively in Spanish and English.

BOUSD Superintendent Dr. Brad Mason stated, "Growing interest from our community has prompted us to invest in this program. It is evident from recent survey data that our Brea families recognize the benefits of dual-language instruction in boosting academic performance, broadening career opportunities, and deepening understanding of diverse communities. We are excited to be able to meet their requests with this exciting new program at Arovista."

For additional information on the Dual Language program, please contact the District's Educational Services Department at 714-990-7533.

9 to 5 is based on the seminal 1980 hit movie but remains relevant today with its message of empowering women in the workplace. Pushed to the boiling point, three female coworkers concoct a plan to get even with the sexist, egotistical, lying, hypocritical bigot they call their boss. This hilarious story of friendship and revenge in the Rolodex era is outrageous, thought-provoking, and even a little romantic.

Horton faces a double challenge: not only must he protect the Whos from a world of naysayers and dangers, but he must guard an abandoned egg, left in his care by the irresponsible Mayzie La Bird. Ultimately, the powers of friendship, loyalty, family and community are challenged and emerge triumphant.
