

# Draw Brea's Future

Brea is discussing the option to develop districts for use during future City elections. Now is your opportunity to contribute and shape Brea's future! By-district elections would divide the City into voting districts, each with one (1) Council Member who resides in the district and is chosen by the electors residing in that corresponding district.

**Be a part of the process and tell us – What do districts mean to you? We value your input!**

Send your thoughts or suggestions to [districting@cityofbrea.net](mailto:districting@cityofbrea.net).

**Attend these scheduled Public Hearings:**

- Monday, September 27 at 7:00 p.m.
- Wednesday, October 27 at 7:30 p.m.

*All meetings will take place in the Council Chambers, be broadcast live and available for replays on the City's cable channel and online. The community is encouraged to attend in-person or via Zoom.*
