The Cultural Arts Commission identifies the cultural needs and interest of the community, promotes cultural arts activities and recommends methods to broaden community participation in the cultural arts. The Commission is directly involved with the Brea Civic & Cultural Center's own fine arts gallery and 200-seat theater, as well as fund-raising to benefit these activities.

Parks, Recreation and Human Services Commission

Meetings are held the fourth Monday of each month at 6:00 p.m. in the Executive Conference Room, Level 3, of the Brea Civic & Cultural Center.

The Parks, Recreation and Human Services Commission works with staff to coordinate the recreation and human services activities of the City. The development of parks and recreation facilities and matters relating to people services, especially serving the youth and senior community, are of prime importance to this Commission.

Planning Commission

Meetings are held the fourth Tuesday of each month at 7:00 p.m. in the Council Chambers, Plaza Level, of the Brea Civic & Cultural Center.

Established by state law, the Planning Commission's primary function is to study proposed developments that may have an impact on the community's growth and environment. This commission ensures that proposed developments will meet the City of Brea's technical, environmental, and aesthetic standards. The commission holds public hearings to review plans to ensure they comply with the city's zoning regulations and general plan for development.

Traffic Committee

Meetings are held the third Thursday of each month, 5:30 p.m. in the Executive Conference Room E, Level 3, of the Civic & Cultural Center.

The Art in Public Places Advisory Committee reviews developers' sculpture applications in order to ensure compliance with the Art in Public Places Policy Manual, promotes Brea's Art in Public Places Collection, attends sculpture dedications, participates in sculpture inspections, and advises Brea's Cultural Arts Commission and City Council on all public art related issues.
