Reference Section 21000-21174, Public Resources Code.

AUG 20 2025
Revised 2011
HUGH NGUYEN, CLERK-RECORDER
BY: [Handwritten Signature] DEPUTY

DJT4 Parcel Delivery Facility Project Description

The DJT4 Parcel Delivery Facility Project would demolish the existing 637,503-square-foot office building and surface parking lot to construct a 181,500-square-foot parcel delivery facility, consisting of 163,350 square feet of warehouse and storage space and 18,150 square feet of ancillary office space, on an approximate 31 .6-acre site. The proposed facility would be a single-story building with a maximum height of 50 feet, 4 inches (including architectural projections) and floor area ratio of approximately 0.14:1. The Project would provide 1,065 vehicle parking spaces (consisting of 304 automobile spaces, 757 delivery van spaces, and four [4] line-haul truck trailer spaces), 180 ancillary van loading spaces (90 loading and 90 staging spaces), and 13 Utility Tractor Rig loading spaces to support facility operations. The proposed facility would be generally located in the center of the Project Site and flanked by loading areas and surrounded by vehicle parking. The Project building would be located entirely within the Light Industrial (M-1) zone, and surface parking and drive aisles would be located within the Light Industrial (M-1) and Mixed-Use II (MU-II) zoned portion of the Project Site. The following permits and approvals are proposed for the Project implementation:

- Pursuant to Brea City Code Section 20.408.040, Plan Review No. 2022-09 for a new construction project in the M-1 and MU-II zones;
- Pursuant to Brea City Code Section 18.36, Vesting Tentative Parcel Map No. 2022-193 for a proposed merger and subdivision on the Project Site; and
- Other discretionary and ministerial permits and approvals that may be deemed necessary, including, but not limited to, temporary street closure permits, grading permits, excavation permits, foundation permits, building permits, sign permits, and tree removal permits.

The Planning Commission conducted a public hearing on May 13, 2025, and voted to adopt Resolution Nos. PC 2025-14, 2025-15, and 2025-16, which respectively certified the EIR, approved Plan Review No. 2022-09, and approved Vesting Tentative Parcel Map No. 2022-193. Subsequent to the Planning Commission's decision, the City received separate appeals from (in the order filed) David Maxey, Supporter Alliance for Environmental Responsibility (SAFER), and Californians Allied for a Responsible Economy (CARE CA); however, SAFER and CARE CA ultimately withdrew their appeals. On August 19, 2025, the City Council conducted a public hearing on the remaining appeal (David Maxey), and upheld the Planning Commission's certification of the EIR and approval of the Project.
