

## **WASTE MANAGEMENT ACKNOWLEDGEMENT FORM**

### **WASTE MANAGEMENT REQUIREMENTS**

Construction and Demolition (C&D) waste from projects represents a significant part of the solid waste stream. Most C&D material can be reused or recycled, conserving natural resources, and saving valuable landfill space.

To recover recyclable C&D debris and ensure compliance with all state of California recycling legislature, the City adopted Municipal Codes for Solid Waste Collection and Salvage of Recyclable Materials (Title 8 Chapter 8.28), Construction and Demolition Waste Management (Title 8 Chapter 8.29), and Organic Waste Disposal (Chapter Title 8 Chapter 8.56). Furthermore, per Senate Bill 1383 (SB 1383), the City must track and record-keep projects occurring within City-limits.

### **TYPES OF C&D DEBRIS**

C&D debris are classified as any material generated from a project during construction and demolition activities. This includes but is not limited to concrete, wood, metal, masonry, pipe, rocks/dirt, cardboard, landscape waste, plastic, etc.

### **HAULING PROJECT DEBRIS**

The City of Brea has a franchise waste hauling agreement with Republic Services to haul debris. Contact Republic Services at (714) 238-2444 to order a container and set up services for your project.

It is preferred that applicants utilize Republic Services, but the City does allow self hauling as long as the applicant/contractor uses their own company vehicles, equipment, and employees to haul debris from the project. Third party containers are NOT allowed on job sites per City Ordinance No. 990.

### **STATEMENT OF UNDERSTANDING AND AGREEMENT**

I acknowledge and agree to the waste management requirements listed above and hereby certify that I will recycle as much project debris as possible to ensure minimal materials are landfilled. I understand that any third party bins used is in direct violation of the City's Ordinance and Waste Hauling Franchise Agreement and such containers will be impounded at the owner's expense. Non-compliance may result in the City assessing a fine.

BY SIGNING BELOW, I HEREBY CONSENT THAT I UNDERSTAND THE MATTERS AS DESCRIBED ABOVE AND AGREE TO THE TERMS. I HEREBY FURTHER REPRESENT THAT I HAVE AUTHORITY TO BIND MY BUSINESS BY SIGNING ON ITS BEHALF.
